

Fleet sector NHW update.

The aim of this report is to allow members of the local community represented by members of NHW to be aware of what crime has occurred recently. Thereby allowing the local community to be on the look out and to ensure their property is secured and the chances of being a victim of crime reduced.

In terms of crime per thousand population Hart remains the safest district in the Hampshire and IOW Constabulary and one of the safest in the UK. With the communities support we will continue reducing crime and the fear of crime.
