Chairman's Report

As I write this in a temperature of 25°C it seems that summer might have eventually arrived. However, unfortunately it also brings out the worst in some people. With families away on their holidays, longer days, doors and windows left open, it can seem like an open invitation to the criminal. Don't let the victim be you. Make sure your car windows are closed, lock your house doors if you are in the garden, and don't leave the key in the lock.

Let us or the police know if you see any suspicious activity, cars or people hanging around that are not familiar. It could be drugs being moved around, especially near schools.

Since the last newsletter I have refurbished or renewed four signs. Please let me know if you see any others that need attention. Obviously I cannot travel around the whole district, so we rely on our members passing on information. The NHW signs are evidence of us looking out for you.

If you are going away this summer, please make sure your friends or your neighbours know. They could keep an eye on your property.

Enjoy your summer and please don't forget our AGM on 10th October at the Crookham War Memorial Hall (more details below). I look forward to seeing you there.

David Bunclark - Chairman

FLEET & DISTRICT NEIGHBOURHOOD WATCH

2024 Annual General Meeting

will be held at

The Crookham War Memorial Hall

In addition to the usual agenda items, this year's AGM will be attended by our local Police Sergeant and it will include a presentation by Rachael Wilkinson, the Safer Communities Manager.

All members of the Fleet and District Neighbourhood Watch are invited to attend the AGM.

Any member who wishes to put forward an item for inclusion in this year's agenda or who would like to propose an amendment to the NHW Constitution is requested to contact the Chairman in writing by:

As with all of our recent editions, this Summer 2024 newsletter will only be distributed by email.

How do I receive E-newsletters?

It is easy: you can either sign up as a subscriber free of charge on the NHW website (fleetnhw.co.uk) or send your email address to me, my contact details are on the last page. You will then receive regular quarterly emails with the NHW E-newsletter attached.

Police & Crime Report

As reported in the last newsletter the Police have advised that they will no longer provide bespoke quarterly police reports for our NHW newsletters. They have directed us to the following website:

<https://www.hampshire.police.uk/area/your-area/hampshire/hart/fleet/about-us/crime-map> Using this website you can enter a postcode and search by crime type and also be provided with a map where you can drill down to road level. Discussions with the police continue. Meanwhile it is recommended that you sign up for Hampshire Alerts via: <https://www.hampshirealert.co.uk/Content/Pages/Sign-Up> You can choose what information you want to receive and the area you want covered. You can also choose the method of contact; e.g. email.

We also recommend that you read the monthly online national NHW newsletter called "Our News" which is issued by the Hampshire Alert organisation. You can access the July edition via:

<https://www.ourwatch.org.uk/sites/default/files/documents/2024-07/Our%20News%20July%202024.pdf>

Another helpful monthly publication is the "Crime Prevention Bulletin" which is issued by the Hampshire and Isle of Wight Constabulary. It can be accessed online at:

<https://www.hampshirealert.co.uk/Alerts/A/175919/Crime-Prevention-Bulletin-June-2024>

Also, if you are worried about scams, hacking of your phone or computer, or fear becoming a victim of cyber crime. For free help or advice please contact the trained NW Cyber Champions at: <https://hampshirecyberwatch.org>

HAMPSHIRE AND IOW NEIGHBOURHOOD WATCH

These incident reports are produced for us by our team of NHW Police volunteers so we can see burglary, theft, vehicle crime and criminal damage incidents in our local areas. The information given to us is strictly limited so we do not compromise future police investigations. **Please encourage your neighbours to report** any information on the incidents below (quoting the reference number) and all other crimes and suspicious events to the police by calling **101** or using online reporting at www.hampshire.police.uk.
