Chairman's Report

As we move into 2026 and a new year we must be thankful that we still live in a low crime area and, according to a measure by an estate agents' organisation, one of the nicest places in the country to live.

Neighbourhood Watch continues to grow slowly with well over 20 years service from your committee and the coordinators, who have continued to distribute our quarterly email report. The hard copy newsletter has ceased because of the loss of advertisers and several volunteers after the covid pandemic. We have also reached the time when new people must take up the baton to ensure the future. Your NHW committee members are all over 80 and most wish to step down now. We have a replacement secretary and a treasurer on board, and this newsletter will be the last by our current editor. I will stay as chairman for the time being to provide continuity but will wish to go within the next few months.

Notwithstanding the changes in personnel, our Neighbourhood Watch will continue to thrive. Its place in the community is more important than any individual. Our revised committee will continue to serve our people in conjunction with the police and the local authority.

Thank you to all those who have helped us over many years, and as Chairman and on behalf of the committee, we wish you all a happy, prosperous, peaceful and a crime free new year.

David Bunclark - Chairman

Future of the Quarterly NHW Newsletters

As the Chairman mentioned in his report this will be my last NHW newsletter as editor. Hopefully we will get a volunteer to take over the role, and I would of course take any volunteer through the process of producing and distributing the newsletters. It is a much simpler and straightforward process these days as it is all done online. Sadly the days when we had 10 advertisers in the newsletter and the income from those advertisers helped pay for the printing have long gone.

So if you are reading this and you are interested, please give me a call or send me an email (my contact details are shown on the last page). It would be a perfect opportunity for someone to design their own newsletter and bring our regular communication with all the NHW members up to date.

Lastly, may I offer my thanks to all the NHW coordinators over the last 25 years who have helped distribute the newsletters, both hard copies and online, their help has been invaluable and much appreciated.

Advice about Criminal Activity Online & Telephone Calls

Unfortunately there is no Police Report for my final edition of the NHW newsletter. To fill that gap I thought it would be helpful for our readers to repeat some of the important cautions and advice that has been published recently by the Hampshire Alert team.

Tax As we approach the deadline to submit self-assessment tax returns to His Majesty's Revenue and Customs (HMRC) there has been an increase in fraud reports involving criminals impersonating HMRC via phone calls, emails, texts, social media, WhatsApp messages, etc. Our advice is to not engage with these contact attempts and to contact HMRC directly via: HMRC online services: sign in or set up an account: Sign in to HMRC online services - GOV.UK or alternatively, you can phone them on **0300 200 3311**. HMRC do not phone you so if you receive a call from that number it is very likely to be spoofed (criminals are hiding behind the number). If that happens, do not engage, contact HMRC via their website:

<https://www.gov.uk/log-in-register-hmrc-online-services>

Scams and Fraud If you realise you've been scammed and wish to report a fraud that has already happened, please report it to Report Fraud either by **phone 0300 123 2040** or online at:

<https://www.reportfraud.police.uk/>

However, if a fraud or other crime is in progress, and/or you are in fear for yourself or someone else, and/or there is evidence in your location that could be damaged/destroyed, please phone 999 immediately.

Otherwise, report non-fraud crime online, or find out about other ways to report a crime at:

<https://www.hampshire.police.uk/ro/report/ocr/af/how-to-report-a-crime/>

Cyber Attack If you are a business, charity or organisation under a cyber attack please call **0300 123 2040** immediately.

Anonymous Reporting If you would like to report a crime anonymously please contact:

<https://crimestoppers-uk.org/> or phone 0800 555 111

Victim of Crime If you've been affected by a crime please contact the Victim Care Hub for free, confidential, support: ***<https://www.hampshireiowvictimcare.co.uk/> or phone 0808 178 1641***

Phishing Emails If you've received a phishing email please report it to your email provider and/or forward it to: ***report@phishing.gov.uk***

Unwanted Calls and Texts If you've received unwanted phone calls or texts from people you think are trying to scam you, but you haven't engaged with them, please forward the text/phone number to **7726** or your phone provider.

Ticketing Scams Whether it is the pantomime, the ballet, sporting events (like the forthcoming World Cup) or your favourite band – ticketing scams are rife. Please always buy from a reputable retailer and, as with all online shopping, only pay by credit card. Please see these five top tips for buying tickets safely:

Website Checker Free Website Scam Checker - Check a website by Get Safe Online at:

<https://www.getsafeonline.org/checkawebsite/>

Hampshire Alerts Please share the above important warnings with friends and family and encourage them to sign up for their own online Hampshire Alerts at: ***<https://www.hampshirealert.co.uk/>***

As a signed up subscriber to Hampshire Alerts you would also receive the monthly national Neighbourhood Watch newsletter called 'Our News'.

Neighbourhood Watch Committee - Future Vacancies - Volunteers Wanted

As the chairman mentioned in his report, the members of your Neighbourhood Watch committee have served on the committee for many years and are now in their 80s which is long past their preferred retirement dates. So we are looking for volunteers to fill the forthcoming vacancies: Chairman, Secretary and Editor. These roles are not onerous, we have committee meetings every few months plus an annual general meeting. There is occasional correspondence involved between meetings, but all fairly straightforward. Please contact one of the committee if you are interested.

E-newsletter

As with all of our recent editions, this Winter 2025-2026 newsletter will only be distributed by email.

Availability of previous E-newsletters

E-newsletters from the Winter 2024-2025 edition up to the most recent one are available via the link on the NHW website (fleetnhw.co.uk)

The Fleet & District Neighbourhood Watch does not accept liability for any of the statements, actions or default on the part of any of the articles or advertisers in this or other editions of the Newsletter
